

**FACULTY OF HEALTH SCIENCES | DEPARTMENT OF PSYCHIATRY
AND MENTAL HEALTH | BRAIN-BEHAVIOUR CENTRE |
NEUROSCIENCE INSTITUTE**

Brain-Behaviour Centre

The Brain-Behaviour Centre of the Department of Psychiatry & Mental Health in the Faculty of Health Sciences seeks to recruit a **Post-Doctoral Fellow** with expertise in **brain imaging analysis**. We are enthusiastic about recruiting those with either a basic science or clinical training, who have experience with analyses of volumetric MRI, diffusion tensor imaging, and/or rs-fMRI data.

The fellowship will be renewable for two years depending on satisfactory academic progress.

The following conditions apply:

- There are no fringe benefits, thus, the successful candidate is responsible for his or her own medical aid and insurance arrangements.
- Tax-free status will be arranged with the South African Revenue Services.
- The successful incumbent will be required to comply with the University's approved policies, procedures and practices for the postdoctoral sector.
- The fellowship call will close once suitable candidates have been identified.

Requirements

- Candidates must have obtained a PhD in a relevant field within the last 5 years or be able to provide evidence that the PhD thesis has been submitted for examination (or will be submitted for examination), and,
- Candidates may not previously have held full-time permanent professional or academic positions. Strong motivations for exceptions may be considered.
- Excellent academic record.
- Evidence of ability to work independently and as part of a team.

To apply, please email the documents below in a single pdf file clearly indicating "Brain-Behaviour Centre" in the subject line to Prof Dan Stein using the email shuretta.thomas@uct.ac.za

- One-page letter of motivation that includes a statement of research interests
- Curriculum Vitae (CV)
- Names and contact details of three referees

APPROVED

An application that does not comply with the above requirements will be regarded as incomplete. Only shortlisted candidates will be contacted. UCT reserves the right not to make an appointment. **Website:** www.psychiatry.uct.ac.za
